The East Coast Sidecar Roundup Tour of New Zealand Is Taking Shape!

The Rivalry....

You are all aware of the fantastic rivalry between the Kiwis and the Aussies in any form of sport, so to take an Australian contingent across the ditch for a speedway sidecar showdown between the two nations, is always going to be exciting to say the least!!

The Kiwis always 'punch above their weight' and have a real passion for winning, especially when it is against the Aussies! The last time we had a Team Kiwi race meeting, they took on all Oz states in the East Coast Sidecar Roundup Teams Tournament at Tamworth and ended up standing on the top step!! Do you think they enjoyed that result..... Oh yes they did!! 🏁

The NZ Tour.....

The Aussies have a chance to get one back and lead the way home when they take on a top field of New Zealand outfits in a 2 round test match style "ECSR Showdown Across The Ditch" on Kiwi soil in November 2017. Add a Teams Tournament race meeting and two "Individual Shootout" race meetings (1 on dirt track & 1 on clay track) and you have one hell of a speedway tour in Kiwi land!

Can you help....

Bearing in mind the East Coast Sidecar Roundup, is a not-for-profit group, we are looking for support to get these 8 Aussie sidecar teams to & from NZ, to take on New Zealand's best!

To help get the Aussie team across the ditch, we are looking for generous sponsors (Aussie & Kiwi) to get onboard and be a part of history. We will also have some unique race vests made for the tour making it a fantastic advertising & promotion offer, where the Naming Rights & Race Vest sponsors, each get to keep a race vest as their own piece of history! Also, each of the 8 Aussie & 8 Kiwi outfits will have a custom nosecone fairing for the tour that will be auctioned off to raise funds for the freight costs. Bidding for these nosecones will start asap after we have a design, and the winning bidder will be able to collect their signed nosecone at the end of the tour. Now that will be a bit history worth bidding for!!! Are you going to bid for an Aussie fairing or a Kiwi one? Designs will be out soon.

Sponsorship Plan.....

We have the following sponsorship packages:-

- Freight Sponsorship for the NZ Tour at just **\$400** each (we need as many freight sponsors as we can get)
- Naming Rights Sponsorship for the entire NZ Tour at \$2,000
- Race vest sponsorship for the entire NZ tour at \$1,500
- There is also a provision to take both the Naming Rights Sponsorship & a Race Vest sponsorship at a discounted price of \$3,000
- Our first target is the shipping costs expected to be around the \$8k to \$9k mark.

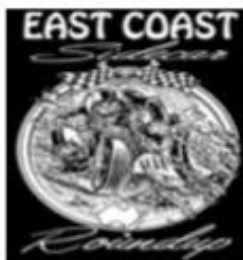

We will have team shirts & supporters shirts made, so if you want to have your business listed on these shirts .. get in early!! As you can see we have a couple of options available in a few different levels of sponsorship for the tour, so if you are interested in sponsoring & helping out....please give us a call.

I trust you can see the benefits of partnering the ECSR in this history making tour of New Zealand for the speedway sidecars, however, please feel free to contact us for further information. Alternatively look us up on Facebook.... East Coast Sidecar Roundup.

Thanks again for taking the time to read and consider our proposal and trust we may work together to advertise your support, expose your brand and/or generate further interest locally and internationally.
